APPENDIX,

GIVING

THE OCCURRENCES OF THE FORTY-SEVEN WORDS CITED BY REFERENCE ONLY.

(See "Directions and Explanations" following the Preface of the MAIN CONCORDANCE.)

APPENDIX,

GIVING REFERENCES, BY CHAPTER AND VERSE, TO ALL THE PASSAGES IN WHICH A FEW UNIMPORTANT PARTICLES OF VERY FREQUENT OCCURRENCE ARE FOUND.

N. B.—1. The small superior figures (^{2}, ^{3}, ^{4}, etc.) denote the number of times the word occurs in the verses to which they are attached.

2. The Hebrew or Greek term, of which the words in this Appendix are respectively the proper or strict (but not uniform) translation (when such term exists), is indicated (by its appropriate number in the accompanying DICTIONARIES) once for all at the head of each; but (inasmuch as those terms are, as a rule, only expressed when more or less emphatic) the English words are usually the rendering merely of some inflection (such as by declension, conjugation, mood, tense, affix, etc.), construction, or implication of the principal word in the sentence (as an auxiliary, pronoun, preposition, etc.); and they are frequently supplied (not always in *italics*) in the A. V. merely for the sake of greater clearness or fullness of meaning. Many of them, morever, often stand in the English text as renderings of various other words in the original, which are elsewhere represented by very different ones from those here indicated.
